HONEY COCKTAILS

"Polil Ole' Fashioned"

₱380.00

A Filipino interpretation of the Old Fashioned, featuring rare multifloral honey harvested from the forest floors of Polillo Island in Luzon. Produced by the endemic Liguan bee, the honey's sweet, mildly sour, and caramel-like notes add depth and character to this timeless whiskey classic.

"Kafe Uisque"

₱425.00

A modern riff on the Espresso Martini, combining Jameson Irish Whiskey, Single Origin Brazilian Coffee, and rare Polillo multifloral honey. Harvested from the forest floors of Polillo Island, the honey lends delicate sweetness, subtle acidity, and caramel-like complexity, creating a rich and distinctly Filipino cocktail.

"Honey Im Soury"

₱395.00

A tribute to the Amaretto Sour, showcasing raw forest honey from Agusan, Mindanao. Its natural sweetness and citrus complexity complement the nutty richness of amaretto, combined in a spirit forward whiskey, resulting in a smooth, velvety cocktail that celebrates one of Mindanao's finest natural treasures.
